

COUNTY EXTENSION OFFICE

Program Description

The Spartanburg County Extension Office is operated by Clemson University. Programming focuses on four broad programmatic areas: agriculture and natural resources, home economics, community development, 4-H and youth development. Spartanburg County makes a contribution to the organizations operating budget. (Agency)

Program and Services

Develop, conduct and provide citizens with accurate up-to-date research based information and educational programs on nutrition, food safety and food preparation, home horticultural, gardening, farm and landscape moisture control. Provide youth programming in support of risk reduction initiatives.
