FY 2009/10 Budget Highlights & Initiatives

- Operating Expenditures were reduced from FY 2008/09 through small reductions to numerous line items.

Ongoing Initiatives

In addition to issuing construction permits for new residential, commercial buildings, demolitions, and additions and alterations, this department:

- Maintains inspection and administrative records;
- Reviews all commercial building plans for code compliance/coordinate with other departments for approvals;
- Inspects all construction activities for code compliance on residential, commercial, and setup of manufactured housing;
- Inspects existing unsafe structures on the interior and exterior for safety and code compliance with the adopted regulations.
