

Kist Road Bridge Replacement

Requesting Department/Division: Public Works/Roads and Bridges
 Project Manager/Contact: Mike Garrett

Estimated Start Date: July 2012
 Est. Completion Date: December 2013

Departmental Priority: Necessary
 Project Category: New Construction/Rehabilitation/Remediation

Project Status: Planned/Programmed
 Project Number: TBD

Project Description, Justification and Location

This project will replace the Kist Road Bridge where it crosses Abners Creek, approximately seven (7) miles southeast of the City of Greer. The bridge sits in a slight curve, and the deck is showing signs of wear due to large truck traffic. In addition, a new school is scheduled to be built in this area, increasing traffic flow across the bridge. It will be replaced with a ninety foot (90') span that will be able to accommodate larger vehicle traffic.

Benefits to Residents, Visitors, Businesses, or County Employees

Replacing this bridge will ensure motorist safety, as well as increase the capacity to handle larger vehicles and traffic flow from the new school.

Impact on Annual Operating Budget

Annual maintenance costs from FY 2010-14 will be minimal.

Project Status (as of July 1, 2009)

Planned/Programmed project, with funding scheduled to begin in FY 2012/13, and to begin the later part of FY 2012/13. Original cost estimate of \$610,000 revised to \$1,120,000 based on expected higher construction costs and recent bids received on similar projects.
