

Emergency Countywide Infrastructure Repairs

Requesting Department/Division: Community Development
 Project Manager/Contact: Kathy Rivers

Estimated Start Date: July 2009
 Est. Completion Date: June 2010

Project Category: Rehabilitation/Remediation

Project Status: Previously in Operating Budget
 Project Number: TBD

Project Description, Justification and Location

This project, scheduled for funding in FY 2009/10, will provide for emergency repairs to infrastructures, including but not limited to water systems, throughout the County. This project is fully funded with Community Development Block Grant (CDBG) funding.

Benefits to Residents, Visitors, Businesses, or County Employees

Residents will directly benefit from this project through the completion of necessary repairs to vital infrastructure. These repairs will ensure that residents do not lose access to public infrastructure such as water and sewer systems, thereby preserving quality of life.

Impact on Annual Operating Budget

No impact on annual operating budget.

Project Status (as of July 1, 2009)

New project with funding beginning in FY 2009/10
