

Double Branch Road Bridge Stabilization

Requesting Department/Division: Public Works/Roads and Bridges
 Project Manager/Contact: Mike Garrett

Estimated Start Date: July 2009
 Est. Completion Date: June 2010

Project Category: New Construction/Rehabilitation/Remediation

Project Status: Planned/Programmed Project
 Project Number: TBD

Project Description, Justification and Location

This project will replace the Double Branch Road Bridge where it crosses Island Creek, approximately 4.2 miles south of the Town of Chesnee. The existing bridge needs stabilized in order to extend the life of the structure and avoid costs associated with the replacements of the existing structure.

Benefits to Residents, Visitors, Businesses, or County Employees

Stabilizing this bridge will ensure motorist safety, as well as increase the capacity to handle larger vehicles.

Impact on Annual Operating Budget

Annual maintenance costs from FY 2010-14 will be minimal.

Project Status (as of April 1, 2009)

Planned/Programmed project with funding scheduled for FY 2009/10.
