

# Runion Road Bridge Replacement

**Requesting Department/Division:** Public Works/Roads and Bridges  
**Project Manager/Contact:** Ron Kirby

**Estimated Start Date:** December 2009  
**Est. Completion Date:** June 2011

**Project Category:** New Construction/Rehabilitation/Remediation

**Project Status:** Active Project  
**Project Number:** BR0006

## Project Description, Justification and Location

This project will replace the Runion Road Bridge where it crosses Holston Creek, approximately 3.8 miles northwest of the Town of Inman. The current bridge is approximately thirty-one (31) years old and is not properly aligned with the roadway. It also has a load restriction, limiting the vehicles that can utilize it. The current bridge will be replaced with a sixty foot (60') span that will be aligned with the road, allowing additional vehicles to pass. Design, engineering and land acquisition are scheduled for FY 2009/10, with construction scheduled in FY 2010/11.

## Benefits to Residents, Visitors, Businesses, or County Employees

Replacing this bridge will ensure motorist safety, as well as increase the capacity to handle larger vehicles and traffic flow from the new school.

## Impact on Annual Operating Budget

Annual maintenance costs from FY 2011-15 will be minimal.

## Project Status (as of June 30, 2010)

Active project. Design and Engineering underway with construction is scheduled to begin in summer 2010.
