

FUNDING ELIGIBILITY

1. **Community Development Block Grant (CDBG)** – to provide housing, improve living conditions, improve community facilities, and expand economic opportunities, principally for low and moderate-income persons.
2. **Home Investments Partnerships Program (HOME)** – to expand the supply of decent, safe, sanitary and affordable housing with primary attention to rental housing for very low-income families, and to strengthen the County’s ability to assist the financing and development of low and very-low income housing. In this program, housing units must be produced.

Each of these funding sources has a different purpose and different eligible activities that can be funded.
