Landfill Gas (LFG) Transmission Pipeline from the Wellford Solid Waste Management Facility to the Milliken & Company Dewey Plant Spartanburg County, South Carolina

RECEIPT OF BIDS

Spartanburg County, South Carolina will receive bids for construction of a 6-inch diameter HDPE landfill gas pipeline, approximately 6.1 miles in length from the Wellford Solid Waste Management Facility in Wellford, South Carolina to the Milliken & Company Dewey Plant in Inman, South Carolina. Bids will be received at the Spartanburg County Purchasing Department, Spartanburg County Administration Building, 366 North Church Street – Room 1220, Spartanburg, South Carolina 29303 **until 2:00 p.m. local prevailing time on July 16, 2009.** Bids received after this time will not be accepted. The time of receipt shall be determined by the clock in the Spartanburg County Administration Building. Bids will be publicly opened, and read on the hour and date specified above.

GENERAL DESCRIPTION OF WORK

The project consists of furnishing the material, equipment, labor and supervision to construct a landfill gas (LFG) transmission pipeline from the Wellford Solid Waste Management Facility and tie-in to the existing natural gas pipe at the Milliken & Company Dewey Plant in Spartanburg County. The work also consists of clearing, earthwork, excavation, trenching, drilling, boring, and paving required to repair roadways after the construction of the pipeline.

The successful bidder will be required to provide materials, equipment, and labor to perform work in accordance with the Construction Drawings, the Specifications and applicable sections of the SCDOT Standard Specifications for Highway Construction and Spartanburg County Standard Specifications for Construction of Roads. To qualify, all bids shall be submitted using bid forms contained in the Contract Documents. Incomplete or segregated bids will not be accepted.
