**PACOLET NATURE-BASED TRAIL
PHASE II**

**Quotes will be accepted up to 2:00 PM on
June 25, 2009**

at

**Pacolet Town Hall
180 Montgomery Ave.
Pacolet, South Carolina 29372**

Project Location: Town Of Pacolet

From existing stone trail at Sunny Acres Road to the existing walk bridge.
(Approximately 1,500 feet)

Work to be done:

1. Check existing stone base to insure a 4" base. Add stone as needed.
2. Compact stone.
3. Pave trail 8' wide and 2" thick.(Type "C" Surface mix)
4. Ramp to bridge to be ADA Standard.(1 in 12)
5. Pot Holes on existing trail.
6. Rip Rap to existing Drainage cross lines.
7. Add slip resistance strips to bridge.
8. Rework bridge hand rails to ADA standards (34" to 38")
This will require it to be lowered approximately 6")

All work is to comply with SCDOT Standard Specifications dated 2007.

Spartanburg County personnel will inspect all work and approve all request for payment.

All Invoices will be sent to:
