Step 1 Preliminary Plat Approval

Preliminary Plat Approval shall confer upon the applicant the following rights for 18 months, unless extended by the Planning Commission, from the date of approval:

1. To proceed under the supervision of the County, with the installation of site improvements; and
2. To proceed with the preparation of a Final Plat.
(Preliminary Plat Approval shall not authorize the applicant to sell or otherwise transfer lots or parcels within the platted subdivision.)
3. The Planning Department staff will notify the developer in writing before the 18-month period lapses.

Step 2 Final Plat Approval

Final Plat Approval shall confer upon the applicant the following rights:

1. To record the plat with the Register of Deeds, which recordation shall include within 90 days of approval the entire plat or phase approved for development.

After this time, such approval shall be void. Recordation of the Final Plat shall constitute an irrevocable offer of dedication of the right-of-way for public streets and roads, and upon completion of such streets and roads in accordance with these regulations, the same shall be considered accepted by the County for public purposes upon final approval by the Planning Commission.

Upon such final approval, right-of-way for public streets and roads shall be in affect vested in fee simple to the County for public purposes.

No subdivision plat, portion, or phase thereof shall be accepted for filing until it has been approved by the Spartanburg County Planning Department, and so indicated on the plat by the signature of the authorized agent. No such signature shall be affixed to

the plat until the developer has completed all required improvements or has posted a Letter-of-Credit, as described below.

Letter-of-Credit and Agreement

An applicant/developer who wishes to acquire building permits or sell lots before Final Plat Approval may do so through an Irrevocable Letter-of-Credit and Agreement. To secure a Letter-of-Credit the developer needs to provide the County with an itemized estimate of the improvements in the subdivision (i.e. roads, water, sewer, if sewer is available). If part of the improvements have been installed, the itemized estimate will be for the improvements from that point to completion of the Subdivision.

When these estimates are approved by the County, the Developer then presents the County with the Irrevocable Letter-of-Credit for the total of the improvements plus twenty-five percent. The Irrevocable Letter-of-Credit number, the name of applicant with address, expiration date, the amount and the beneficiary, which shall be the Spartanburg County Administrative Offices, 366 North Church Street, Room 700, Spartanburg, SC 29303.

A notarized statement, shown below, must show on the Irrevocable Letter-of-Credit:

“A notarized statement with draft by an authorized representative of Spartanburg County stating (developer) has failed to comply with provisions of agreement dated (the same date as issuance date of the Letter-of-Credit) between (developer) and Spartanburg County concerning (put in the improvements the Letter-of-Credit is covering) and that as a consequence, the County of Spartanburg is entitled to the sum in the amount not to exceed (the amount of the Letter-of-Credit) drawn hereunder”.
