Eligibility:

I understand that submitting an Expungement Application does not guarantee that the charge(s) can be removed from my criminal record and that only a thorough search of my criminal record will reveal if I am eligible. Eligibility for expungement is determined by the South Carolina Legislature. Laws regarding expungements are subject to change at any time, with or without notice.

Fees:

Upon review of my application, I will be notified by letter if additional information or fees are needed. Some applications for expungement will require a non-refundable \$250.00 administrative fee, a \$25.00 SLED verification fee, and a \$35.00 Clerk of Court filing fee. ALL FEES ARE NON-REFUNDABLE and must be paid by money order. The \$250.00 fee is non-refundable regardless of whether the offense is determined to be statutorily ineligible for expungement or the Solicitor or his designee does not consent to the expungement. Fee requirements were established by the South Carolina Legislature and became effective on December 27, 2018.

We cannot expunge any information that was released by the media or information provided by private agencies on the internet. We are not responsible for any information that the media or private agencies release(d).
