General Public Highly Encouraged to Utilize Remote Options, County Adjusting Daily Operations to Reduce Public Visitation

Spartanburg County and its emergency management professionals continue to actively monitor the impact that COVID-19, Corona Virus is having on our community and are adjusting services provided by the County accordingly. In order to decrease the spread of the virus, the County is modifying many business procedures to be more easily accessible remotely or through drop box service.

County employees continue to report as usual, but residents are strongly encouraged to reduce public visits to our facilities and conduct business online, by phone, or utilizing drop box services to the maximum extent possible. By reducing public visits, our ability to continue offering services is greatly enhanced and the public health risk reduced. The following is a listing of the offices that will continue to provide service through these adjusted operations and how citizens may contact and interact with them:

Treasurer's Office

The County **strongly** recommends that residents use the following options to pay tax bills and to only visit our offices if absolutely necessary. This will protect both residents and employees from potential spread of the virus.

- Pay online at <https://spartanburgcountytax.com> – E-Check, PayPal, Credit Cards, & PayPal Credit
 - **Convenience fees for online tax payment will be waived through June 30, 2020**
- Pay by mail using the envelope enclosed with your tax bill – check and money orders only
- Pay by drive-thru (open until 5:00 daily) – the drive thru is conveniently located at the County Administration Building, 366 North Church Street, Spartanburg, SC. **All payment types will be accepted by drive thru.**
- Pay by drop box – Check and money orders only – the drop box is conveniently accessible 24/7 and is located on the side of the County Administrative Building across from the Drive-Thru
