South Carolina

Pursuant to a Warrant from John Gaillard Commissioner of Locations in the District of Pinckney dated September 22nd 1834 I have admeasured and laid out unto John Hampton, a tract of Land containing Two Hundred and Eighty three acres, situated in said District, on the East side of Alexander's Creek, waters of South Fackahatchee River, bounded by lines running S.E. by Hamp. Fisher's Land, S.W. & E. and E. by Ramsey's land - S.W. and S.E. by Thomas Jackson's Land; and on Alexander's Creek, by Rawson Pandin's, and Ben Alvarado's Land, including one Hundred and fifty acres of old Granted Land, which is included in the above Survey for the purpose of obtaining a New Grant, and including one Hundred and Thirty-three acres more or less unappropriated, the whole having such form and marks, buttings and boundings as the above Plat represents, Surveyed September 26th 1834.

John C. Hoyt
Dep. Surveyor

Recorded 31 October 1834.

Fee $2.12½ paid
